November 22, 2017

To the Families of the Elmora Youth League:

Our 2017 Season was a tremendous success with a league comprised of over 45 recreational teams for all ages, from preschool through high school. Our league is now celebrating 45 seasons serving the community. Our executive board is counting on your support for another rewarding season at the Hanratty fields. Our league remains strong and continues to grow thanks to the tremendous volunteer participation of our parents.

congratulations

While representing our League and Town, that growth was evident in their accomplishment for The Little League 2017 District 7 Championship in both our 10U Baseball and Softball teams, along with the softball 12U Team and the 2017 By-County League Championship awarded to the 10U Softball Team! Feats well-earned and deserved! In addition, our 9/10 EYLL Troopers went on to represent NJ as the Eastern Regional Champions and Mid-Atlantic Champions! This was an incredible accomplishment for our League, our City and our State!

For 2018, we are happy to announce our fees will remain the same. Our league is at full capacity and we strongly encourage you to register your players early in January. In the older age groups, we remain committed to keeping rosters to a manageable level and scheduling as many games as possible. Once we hit our player targets, we will close registration for the age group. Please see our web site for registration information.

If you are interested in sponsoring a team, please contact us via the above mailing address, website or email address.

On behalf of myself and the Executive Board Members, we are eagerly looking forward to working with you and we want to wish you a Happy, Healthy and Prosperous 2018.

Sincerely,

Manny Medina 
League President
