Dear Prospective Team Sponsor,

It is my pleasure to announce that Elmora Youth League will be proudly celebrating our 50th Season. Our Volunteer Little League has continuously provide a safe place for our children to succeed and learn values that will be key in their development.

Last season we are happy to report that we fielded 42 teams across 10 divisions of 530 players. This would not be possible without your support. The relationship we maintain with our local businesses and community keeps all of us in the game. We at Elmora Youth League will continue serving the community in 2023, your support allows us to accomplish this goal. I hope you can be part of our amazing 50th Season and all of the upcoming festivities. You are invited to stay in touch by following us on:
